**Chinese Tea** (per pot/4 persons)

**Chrysanthemum Bulb** 12

The Chrysanthemum is produced in Tong Xiang, Zhejiang. Tong Xiang is a protected county under the China Agricultural Department. The Chrysanthemum is grown in strict Non-polluting and toxin environment. Chrysanthemum has anti-toxin and anti-heatiness properties. Regular consumption helps to improve eyesight and complexion.

**Forbidden Dragon Pearl** 12

Our Forbidden Dragon Pearl tea comes from Fuzhou, China. The leaf buds are hand-picked and rolled in spring, and then carefully stored. In summer, when the night blooming jasmine flowers are harvested, the tea leaves are brought out of storage and hand scented with the freshly collected flowers for at least 5 consecutive nights. When infused, the Dragon Pearls unfurl to release a wonderfully sweet and delicate floral scent balanced with a fresh green tea taste. Known to relax and revive the body and mind for centuries.

**18 Years Pu Er** 12

A sophisticated tea collected by tea connoisseurs. Our Pu Er from Yunnan in China was once presented as a tribute in the Imperial palace during the Qing Dynasty. It has been carefully hand harvested and processed to prevent unnecessary bruising, and then naturally aged in dry storage for 18 years. A reddish tea liquor with a smooth rich body and complex earthy flavors characteristic of Pu Er. Contains high levels of antioxidants and is known to lower cholesterol and aid weight loss or maintenance.

**Hangzhou Long Jing (Green Tea)** 12

One of China's best known green teas, our Lion's peak Dragon Well comes from the Lion Mountain in Zhejiang Province. The tea leaves are first flush leaves that have been harvested just before Qing Ming Festival and then subjected to a laborious process of drying. The resulting flat and smooth leaves yield a pale jade liquor that is refreshingly smooth, sweet and delicate, with a hint of sweet chestnuts. It has anti-cholesterol build-up agents and anti-oxidants as well.

**Heavenly Red Robe (Oolong)** 20

Heavenly Red Robe has more than 300 years of history. Several mother trees has survived till this day and been made the national treasure tea. Originally grown in the high cliff of the Nine Dragon Nest, the finished Heavenly Red Robe is of supreme quality and taste. Using traditional roasting process, it is relatively thick in flavour and able to withstand numerous infusion! Used as tribute tea in the past and serve as a beverage now for high state dinners and visiting overseas delegates.
